

## List of Capacity Charge Rates

This appendix comprises the Capacity Charge Rates defined in the Template Schedule 7. In particular it provides the value of Pgt in paragraph 6.1 of Part 2 of that Schedule for the financial year starting 1 April 2004.

The following table shows the Capacity Charge Rates in pounds per train mile for franchised passenger operator service groups.

TOC Name	Train Service Group	Service Group Name	Rate (£/train mile)
Scotrail	HA01	Express	0.0671
