

RIGHTS TABLE

Annex
Schedule 5 Rights Table

(1) "Train Rep. No." column is to assist identification of slot and does not formally constitute part of the rights approved. Details liable to change at any time at Network Rail's discretion.
(2) The column headed "Timing Load" is for information purposes only and relates to the Timing Load used for the purposes of compilation of the Working Timetable. The definitions of the codes used in this column are set out in the Working Timetable

For information - Not Part of Contract			Origin Data		Destination data		Additional Data										Equipment Characteristics
