OFFICE *of the*  
RAIL REGULATOR

**NOTICE OF APPROVAL, SUBJECT TO MODIFICATIONS, OF THE REVISED RAILWAY GROUP STANDARDS CODE SUBMITTED BY RAIL SAFETY AND STANDARDS BOARD LIMITED FOR APPROVAL BY THE REGULATOR**

Rail Safety and Standards Board Limited (“RSSB”) submitted, on 30 October 2003, a revised Railway Group Standards Code (the “New Code”) for approval by the Regulator, in accordance with the provisions of the Railway Group Standards Code approved by the Regulator on 1 April 2003 (the “Code”).

The Code provides for the Regulator to reject the New Code, approve the New Code, or (if he considers that the New Code is not consistent with the requirements of the Constitution Agreement dated 1 April 2003 between Network Rail Infrastructure Limited and RSSB) approve the New Code subject to modifications specified by notice to RSSB after consultation with the members of RSSB.

Having consulted the members of RSSB, the Regulator approves the New Code subject to the modifications specified in the schedule to this notice.
