23 July 2007

Dear David,

Re: Crossrail Access Option

On behalf of Network Rail Infrastructure Limited and The Secretary of State for Transport, I am pleased to enclose a completed Form 18 and draft Section 18 application "Track Access Option in connection with the Crossrail Project".

This envelope also contains the following items:

- Map of the Crossrail route
- Three single line diagrams
- Side letter from DfT regarding Revenue Security and side letter from Network Rail regarding Section 30 Railways Act 1993 (both related to Section 30)
- Side letter from DfT and TfL regarding Infrastructure Manager
- Side letter from DfT and TfL regarding On Network Works
- Side letter from DfT regarding Liability of Network Rail to BAA
- Side letter from DfT regarding Amendment of Crossrail Bill Powers
- Summary of differences with the model track access contract
- Deltaview comparison with the model track access contract
- Flowchart relating to the Railway Systems model

We look forward to hearing from you.

Yours sincerely,

Jonathan Chatfield
Commercial Advisor
